

You DON'T Say!

The talk show that
drives kids bananas

**Move over Montel!
Step aside Springer!
TV's next leading man is a monkey.**

He's a bit subversive; he's way cool, and totally bananas...with lots of "apeel." His name is Kaz and he's the host of *You Don't Say* a hot new TV talk show for kids.

Join Kaz and special guests Cokie Roberts and Freddie Adu for a sneak peak at the talk show that will leave you speechless.
